CLASSICS STUDY GROUP

Great books. Great stories.
GREAT DISCUSSIONS.

Have you ever said to yourself that you would like to read some of the great Classical novels of all time but felt overwhelmed by the thought of reading and understanding on your own? Well help is on the way.

The Classics Study Group is a group of like-minded individuals who feel that greater understanding comes through helping each other enjoy great writing and storytelling. Through lively discussion we try to bring the characters and stories to life. We find it to be fun and entertaining. And unlike college, there are no papers or final exams!

The Classics Study Group meets on the fourth Tuesday of the month at 3:00pm in the **Monterey Room** at the Vista Club.

FOUND A PET OR LOST ONE ?

Contact the Pet Lost and Found Team !

Within the Trilogy Dog Club organization are a dedicated group of volunteers who will search Trilogy for any lost pets....**the Pet Lost and Found Team** (formerly known as the Pet Response Team). The Pet Lost and Found Team's goal remains locating lost pets and helping return them to their owners. Their mission includes maintaining a lost and found pet network within Trilogy at Rio Vista. You **do not** need to be a member of the Trilogy Dog Club to request assistance or to register your pets.

The Pet Lost and Found Team can be activated between 7 am and twilight by phoning the Trilogy Front gate at 707-374-4306. It is helpful to have a description of the pet (color, size, breed); where observed; time observed; behavior; and any owner information available. Contact petlostandfoundteam@gmail.com with questions. To register your pet, drop a completed Pet Lost and Found Team Information Card in Delta Club Box B. Pet Lost and Found Team Information forms are also located next to the Dog Club Application forms at Box B in the Delta Club.
